

FLORIDA SOUTHERN COLLEGE

DOCTOR OF PHYSICAL THERAPY

The mission of the School of Physical Therapy is to prepare entry level physical therapy practitioners through dynamic engaged learning experiences and equip them with skills to provide patient-centered, evidence based care, and have a positive impact on the community.

About Florida Southern College

Florida Southern College (FSC) is known throughout the nation as a leader in engaged learning. FSC is consistently ranked as a top college in the prestigious U.S. News and World Report and was voted #1 most beautiful campus two years in a row by the Princeton Review. Being the corridor between Orlando and Tampa, our students enjoy our location with its ease of access to surrounding areas.

Program Overview

The Doctor of Physical Therapy program features a traditional model of instruction with lecture, labs, clinical practicum, and embedded community education experiences.

- A new cohort begins once per year every August
- 36 weeks of full-time clinical practicums
- 108 semester credit hours
- 8 full-time faculty
- Strong curriculum with integrated dynamic engaged learning experiences in the community

Strengths of the Program

Florida Southern has multiple strengths that make it well suited to offer the Doctor of Physical Therapy degree.

- Outstanding faculty with extensive experience as practitioners and educators
- Earn a DPT Degree in 2.5 years
- State-of-the-art facilities
- Excellent relationships with local health care providers

Small Classes

Our classes are all face-to-face. All students will progress together as a cohort until graduation. In this intimate setting, you'll have the benefit of hands-on learning and extra attention from your professors.

Accelerated Program

The Doctor of Physical Therapy program is offered in an accelerated format that will allow you to complete the program in 2.5 years. This gives you a jump start on earning your licensure and applying for jobs.

“IT'S SO AMAZING TO BE ABLE TO TEACH IN OUR STATE-OF-THE-ART FACILITY. THE ABILITY TO USE OUR MULTIPLE CEILING-MOUNTED CAMERAS TO ZOOM IN ON TREATMENT TECHNIQUES AND DISPLAY THEM IN REAL-TIME ON THE 80" HD MONITORS WITH 4K QUALITY HAS TRANSFORMED MY ABILITY TO TEACH AND ENGAGE STUDENTS!”

— Dr. Alex Siyufy, DPT, ATC, SCS, Cert. MDT, Cert. DN, SFMA, Associate Professor

Prerequisite Courses

A maximum of one prerequisite course with a grade of a C will be accepted. All other prerequisite courses considered must be a C+ or better. Courses older than 10 years old will not be accepted. Online courses are not accepted for biology, anatomy, physiology, physics, or chemistry. In the event a course with an online lecture is paired with a face-to-face lab, this may be acceptable. Please contact the School of Physical Therapy for verification. No more than two prerequisite courses may be in progress during the spring semester prior to the FSC School of Physical Therapy start date.

General Biology I with Lab (4 hours)
