

Christine S. Morgan, PT, DPT, SCS
Florida Southern College

Education:

- Transitional Doctor of Physical Therapy, Florida Gulf Coast University, Fort Myers, FL (2014)
- Credentialed Sports Residency - University of Florida and Shands Rehabilitation, Sports Physical Therapy, Gainesville, FL (2011)
- M.S. - Florida Gulf Coast University, Physical Therapy, Fort Myers, FL (2010)
- B.S. - Florida Southern College, Biology (Pre- physical therapy concentration), Psychology, Lakeland, FL (2006)

Licensure Information:

- Licensed Physical Therapist, Florida 25733 (Active)

Certifications:

- Level 2 Credentialed Clinical Instructor (January 2018)
- American Board of Physical Therapy Specialists Sports Certified Specialist (May 2013)
- Level 1 Credentialed Clinical Instructor (October 2010)

Employment and Positions Held:

- Assistant Professor, Florida Southern College (Tenure Track), School of Physical Therapy, Lakeland, FL (August 2022 to present)
- Director of Clinical Education and Assistant Professor, Florida Southern College (Tenure Track), School of Physical Therapy, Lakeland, FL (January 2018 to August 2022)
- Clinical Mentor, University of Florida (UF) Health Sports Physical Therapy Residency, Gainesville, FL (August 2015 – December 2017)
- Physical Therapist, UF Health Orthopedic and Sports Medicine Institute, Gainesville, FL (July 2012 to December 2017)
- Physical Therapist, Kinetix Physical Therapy, Gainesville, FL (September 2011 to June 2012)
- Physical Therapist/ Sports Resident, Shands Rehabilitation and University of Florida Department of Physical Therapy, Gainesville, FL (August 2010 to August 2011)

Christine S. Morgan, PT, DPT, SCS
Florida Southern College

Current/Active Research Activity:

- Manuscript in progress: Terrell S, Misenar M, Washington J, Allen C, Marshall E, Dominguez J, Morgan, C. Shoulder Strength and Range of Motion Changes Following 8-week Dynamic Warm-up Intervention for Collegiate Swimmers.
- Manuscript in progress: Morgan, CS, Development of a Stress Fracture in a Runner with Type I Diabetes.

Membership in Scientific/Professional Organizations:

- American Physical Therapy Association, 2007- Present
 - Sports section member September 2007- Present
 - Female Athlete SIG member
 - Running SIG member
 - Education section member January 2018- Present
 - Clinical Education SIG member 2018-2022
- Florida Physical Therapy Association, 2007- Present
 - Florida Consortium of Clinical Education member 2018- 2022
- American Council of Academic Physical Therapy, 2021
 - National Consortium of Clinical Education member 2018 - 2022

Consultative and Advisory Positions Held:

N/A

Community Service:

- Community Helpers presentation, Lincoln Avenue Academy (November 2022)
- Physical Therapist, Lakeland Volunteers in Medicine (September 2018- Present)
- Great American Teach-in, Lawton Chiles Academy (November 2019)
- Inflammatory Bowel Disease Clinical Practice Guideline Writing Group, APTA, Women's Section (June 2016- September 2017)
- Emergency Responder Coverage, Gainesville Hogs Rugby (April 2011- July 2014)

Service to Florida Southern College

College

- Member, Technology Committee, (2018 – Present)
- Member, Worksite Wellness Committee (2018 – 2020)
- Member, Academic Integrity and Plagiarism Task Force, (2019- Present)
- Member, Honor Code Infraction Review Board (2020- Present)
- Physical Therapist, FSC Athletic Training Room (Spring 2022 – Present)

School of Physical Therapy

- Member, School of Physical Therapy faculty search committee (May 2022 – January 2023)
- Chair, School of Physical Therapy search committee for assistant director of clinical education (September 2020 – February 2021)

Christine S. Morgan, PT, DPT, SCS
Florida Southern College

- Member, School of Physical Therapy curriculum committee, (2018 – present)
- Member, School of Physical Therapy search committee, (2018 - 2019)
- Member, School of Physical Therapy community engagement, (2018 – present)
- Member, School of Physical Therapy assessment committee, (2018 – present)
- Member, School of Physical Therapy admissions committee, (2018 – 2019)

Service to the Profession:

- Nominating Committee Chair, West Central District, Florida Physical Therapy Association, November 2021- Present
- Communication Chair, Florida Consortium of Clinical Education, Florida Physical Therapy Association, February 2020- June 2022
- Communication Chair, Female Athlete Special Interest Group, American Academy of Sports Physical Therapy, February 2020- Present
- Assembly Representative, West Central District, Florida Physical Therapy Association, September 2019- Present
- Nominating Committee Member, West Central District, Florida Physical Therapy Association, November 2018- Present
- Florida Consortium of Clinical Educators Representative to NCCE (National Consortium of Clinical Educators), October 2018, October 2019
- Reviewer, Journal of Sports and Orthopedic Physical Therapy, March 2018- Present
- Reviewer, International Journal of Sports Physical Therapy, August 2015- Present

Honors and Awards:

Continuing Education Attended:

- FPTA Virtual Presentation, Tales from the Crypt: PT is a Risky Business (Medical Errors). August 2023
- APTA Combined Sections Meeting, San Diego, CA, February 2023
 - Sessions attended included- Building Performance or Just Getting Fatigued? Structuring Treatment Plans for Return to Duty or Sport; Current Concepts in the Treatment of Tendon Pathology, When the Hamstring is Attached to the Spine and Brain; PRP, Bmac, MSCs, and Beyond: Translating the New Frontier of Orthobiologics; Eugene Michaels Research Forum: Psychological Factors in Physical Therapy, Are We Encroaching Boundaries of Practice?; the champions DEI breakfast, female athlete special interest group; running special interest group, college and pro athlete special interest group; *[Sessions attended are relevant to chronic pain, kinesiology and musculoskeletal content, as well as my clinical specialist/ future research work with athletes].*
- FCCE CEU Virtual Meeting, Emotional Distress? Strategies for Helping Students in the Clinic. Virtual, January 2022.
- APTA Combined Sections Meeting, virtual, February- March 2021
 - Sessions attended included- Pauline Cerasoli Lecture: Educating for Professionalism - The science of caring. The art of healing; Core Competencies for Physical Therapy Clinical Educators: The Path Toward Excellence; Designing and Implementing a Transdisciplinary Approach to Applied Nutrition Education for Physical Therapist Students; Preserving and Protecting the Future of Acute

Christine S. Morgan, PT, DPT, SCS
Florida Southern College

Care Physical Therapist Clinical Education; Remediating in Place: The Place? The Clinic. When? During the Clinical Education Experience; DPT Student Professional Behaviors in Academic and Clinical Settings: Introducing a New Tool (RISE); I Wasn't Expecting This: Student Perspectives on Readiness for Acute Care Clinical Experiences; 21st Century Pain Education: Implementing Recommended Core Competencies Into Physical Therapist Education; One If By Land, Two If By Water: Aquatic Intervention in PT and PTA Programs; Autoregulators! Mount Up! Utilizing Intensity in Rehab, Faster, Stronger, Younger? Embracing and Enhancing the Movement of Young Athletes; The Missing Link in Optimizing Function in Female Athletes: Connecting Pelvic Floor and Orthopedic Dysfunction; Managing the Injured In-Season Youth Athlete; Science Meets Practice Session 3: On-Field Considerations Before and After Concussion; Science Meets Practice Session 4: Optimizing Musculoskeletal Health In The Female Runner; Science Meets Practice Session 7: Bone Stress Injuries In Adolescent and Collegiate Runners; Clinical education special interest group, female athlete special interest group, ACAPT NCCE Business Meeting, ACAPT Breakout meeting; *[Sessions attended are relevant to clinical education, including how to assess students on clinical practicums, networking with others involved in clinical education and staying current on topics related to clinical education, and my clinical specialist/ future research work with athletes].*

- Team Concept Conference, virtual, December 2020
 - Sessions attended included- Female Athletes and Their Feet, What to Do About Them, REDS vs Triad Semantics; Negative Energy Balance- Unintentional or Intentional; Menstrual Dysfunction and Its Negative Long-Term Impact; Bone Health Across the Lifespan and Recommended Interventions; Acute Management of the Female Endurance Athlete; From the Floor to the Core: Pelvic Floor Interventions for the Sports Physical Therapist; Footwear and Foot Orthoses in the Female Athlete; Load Management for Stress Fractures; Research Reports and Case Studies; *[Sessions attended are relevant to my clinical specialist/ future research work with athletes].*
- APTE Educational Leadership Conference, virtual, October 2020
 - Sessions attended included the Enhancing the Role of the Clinical Educator as a Mentor; Beyond Universal Precautions Curricular Content in Infection Prevention and Control; Closing the Loop: Providing Effective Student Feedback; the Clinical Education SIG meeting, and the NCCE business meeting. *[Sessions attended are relevant to the role of director of clinical education as far as continued understanding of current topics and concerns related to clinical education, including payment for clinical education, placements, clinical instructor mentorship throughout the clinical practicums.]*
- Anti-Trafficking: Human Trafficking for Physical Therapists, Lakeland, FL, July 2020
- Malnutrition Across the Lifespan: Perspectives from Registered Dietitians and Physical Therapists, virtual, APTA and Academy of Nutrition and Dietetics, June 2020.
- APTA Combined Sections Meeting, Denver, CO, February 2020
 - Sessions attended included- Student Performance Assessment in the Clinical Learning Environment: Taking the Leap From CPI to CIET; Research Spotlight 'The Spectrum of Tendinopathy: From the Young Athlete to the Sedentary Older Adult; Human Performance Optimization for Tactical Athletes: Associations Between Carried Loads, Physical Performance, and Rehab; What Assessment and Intervention Strategies Are Essential for Great Foot and Ankle Care?;

Christine S. Morgan, PT, DPT, SCS
Florida Southern College

Raising the Proverbial Bar: Development of a Novel Tool to Assess Clinical Educators; clinical education special interest group, female athlete special interest group, running special interest group; *[Sessions attended are relevant to clinical education, including how to assess students on clinical practicums, networking with others involved in clinical education and staying current on topics related to clinical education, and my clinical specialist/ future research work with athletes].*

- APTE Educational Leadership Conference, Bellevue, WA, October 2019
 - Sessions attended included the NCCE regional networking session; The Geneva R. Johnson Forum on Innovation in Physical Therapy Education; Transforming Relationships to Meet the Needs of Patients and Care Providers; Beginners Guide for the New DCE: Need to Know Tips and Resources; March 1 Madness: Utility of the National Slot Request Date from Academic and Clinical Perspectives; Development of a CI Mentorship Course to Address the Interpersonal Connection to Student Success; A Holistic Approach to the Clinical Education Matching Process Using Relational Coordination Theory; The Clinical Placement Process Taskforce: An Update about our Crucial Conversations; the Clinical Education SIG meeting, and the NCCE business meeting. *[Sessions attended are relevant to the role of director of clinical education as far as continued understanding of current topics and concerns related to clinical education, including payment for clinical education, placements, clinical instructor mentorship throughout the clinical practicums.]*
- APTA Combined Sections Meeting, Washington DC, January 2019
 - Sessions attended included- Distance Doesn't Ruin Academic-Clinical Partnerships, Doubts Do; Collaborative Clinical Education: Mechanisms of Successful Implementation; The Athlete in Pain: Moving Beyond the Tissues to the Person; The Weight is Over; clinical education special interest group, female athlete special interest group, running special interest group; *[Sessions attended are relevant to clinical education, including how to build partnerships with clinicals, networking with others involved in clinical education and staying current on topics related to clinical education, and my clinical specialist/ future research work with athletes].*
- Cogent Steps Emergency Response for the Athlete, Washington DC, January 2019
 - 20 CEUs to remain active as an emergency responder to stay compliant with ABPTS sports certified specialist standards.
- APTE Educational Leadership Conference, Jacksonville, FL, October 2018
 - Sessions attended included the NCCE regional networking session; The Geneva R. Johnson Forum on Innovation in Physical Therapy Education; Succeeding with a Multifaceted Approach to Clinical Education within a Thriving Private Practice; Teaching Mindfulness: Impact on Students, Patients, and Practitioners; Remediation Toolbox: Finally... the Instruction Manual!; and the NCCE business meeting. *[Sessions attended are relevant to the role of director of clinical education as far as continued understanding of current topics and concerns related to clinical education, assistance with remediation of students, and teaching mindfulness as part of IPCE III and throughout the clinical practicums.]*
- Mentor, Dr. Jacqueline van Duijn, DCE Florida Gulf Coast University, Physical Therapy, Fort Myers, FL, July 2018 – present (see attached letter).
- APTA NEXT Conference, Orlando FL, June 2018
 - Sessions attended included 49th Mary McMillan Lecture: Wisdom and Courage: Doing the right thing; Utilizing Community Collaboration to Reduce Health

Christine S. Morgan, PT, DPT, SCS
Florida Southern College

Disparities; Mentoring our future- Effective Communication and Feedback; A Fish Out of Water: Treating Swimmers with Shoulder Pain; 23rd John H.P. Maley Lecture: Life Course Health development of individuals with chronic health conditions: Visualizing a preferred future; Musculoskeletal Pain: Relevance of Myofascial & Acupuncture Meridians. *[Sessions attended are relevant to the IPCE series courses, clinical practicums and education of clinical instructors involved with our program on working with students, understanding of dry needling as it is meant to be taught in our program but currently is not practiced in Florida, and my clinical specialist/ future research work with swimmers and other athletes].*

- CAPTE Workshop, Orlando FL, June 2018
 - This course gave recommendations in how best to set up clinical education for student success and tips for writing the narrative for the CAPTE review our program will go under in December.
- APTA Combined Sections Meeting, New Orleans, LA February 2018
 - Sessions attended included Science Meets Practice—Form Before Footwear: Effectiveness vs. Efficacy in Running; Facilitating Knowledge Translation With Academic Clinical Partnerships; Developing Debriefing Divas and Dudes; The Art of Dissemination: Bridging the Knowledge Gap; Training Smarter and Harder: Improve Performance, Reduce Risk, Improve Return; clinical education special interest group, female athlete special interest group; *[Sessions attended are relevant to the IPCE series courses, clinical practicums and education of clinical instructors involved with our program on working with students, networking with others involved in clinical education and staying current on topics related to clinical education, and my clinical specialist/ future research work with swimmers, runners, and other athletes].*
- Professionalism Module 3: Ethical Compass Home Study Course, January 2018
 - This course is relevant to teaching all clinical education practicum courses and taking the APTA Level 2 Credential Clinical Instructor course. It improves my knowledge in current methods of teaching professionalism in DPT students.
- Professionalism Module 2: History of Professionalism in Physical Therapy Home Study Course, January 2018
 - This course is relevant to teaching all clinical education practicum courses and taking the APTA Level 2 Credential Clinical Instructor course. It improves my knowledge in current methods of teaching professionalism in DPT students.
- Professionalism Module 1: Introduction to Professionalism Home Study Course, January 2018
 - This course is relevant to teaching all clinical education practicum courses and taking the APTA Level 2 Credential Clinical Instructor course. It improves my knowledge in current methods of teaching professionalism in DPT students.
- APTA Level 2 Credential Clinical Instructor Sun City Center, FL January 2018
 - This course is relevant to teaching all clinical education practicum courses. It improves my knowledge in how to assist clinical instructors in teaching DPT students.
- ACL Reconstruction: Surgical and Return to Sport Consideration, Gainesville, FL May 2017
 - Attended in order to build my practice and stay current as a board certified sports clinical specialist.
- FPTA Spring Conference, Lake Mary, FL March 2017

Christine S. Morgan, PT, DPT, SCS
Florida Southern College

- Attended and presented in order to build my practice and stay current as a board certified sports clinical specialist.
- APTA Combined Sections Meeting, San Antonio, TX, February 2017
 - Sessions attended included Evidence-Based Practice for Running Injuries: Are We on the Right Path?; More Than a Diagnosis. A Clinician's Guide to Managing the Injured Runner; We Stink at Loading: Dosing Exercise, Proprioception, and Nutrition; Sports Platform Presentations 6; No Runner Left Behind: Considerations for a Diverse Athletic Population [*Sessions attended and presented in order to build my practice and stay current as a board certified sports clinical specialist.*].
- University of Florida (UF) Health Running Medicine Conference, Clearwater Beach, FL, February 2017
 - Attended and presented in order to build my practice and stay current as a board certified sports clinical specialist.
- APTA Clinical Practice Guideline Workshop, Alexandria, VA, August 2016
 - Attended as a requirement for being a part of the Inflammatory Bowel Disease Guideline Writing Group.
- Getting the Athlete Back to the Game: Returning to Play Guidelines Through Performance Enhancement Training, Gainesville, FL, May 2016
 - Attended in order to build my practice and stay current as a board certified sports clinical specialist.
- Successful Mentorship for Residency and Fellowship Education, online, February 2016
 - Attended in order to improve my skills as a clinical mentor for the UF Health Sports Residency Program. The skills from this course are transferrable to working with DPT students and helping clinical instructors with strategies to improve clinical teaching.
- APTA Combined Sections Meeting, Anaheim, CA, February 2016
 - Sessions attended included: Running: Dynamic Trunk and Pelvic Control Strategies for Optimal Performance; Evidence-Based Approach for Selection and Application of Strength and Neuromuscular Control Exercises for ACL Rehabilitation; Achilles Tendon Rupture: Is Full Recovery Possible Perspectives From an Orthopedic Surgeon, a Physical Therapist, and a Biomechanist; Transitioning the Injured Runner Back to the Road and Track; An Update on Osteoarthritis of the Knee for the Aging Athlete; Practical Gait Analysis and Retraining Methods for the Injured Runner; Science Meets Practice: Running; Sports Section Platform Presentations VI; Running On All 4 Cylinders: Factors to Consider in Return-to-Run Decisions. [*Sessions attended in order to build my practice and stay current as a board certified sports clinical specialist.*].
- Prevention of Medical Errors, online, October 2015
 - Attended in order to meet state of Florida physical therapy licensing requirements.
- APTA NEXT Conference, National Harbor, MD, June 2015
 - Attended and presented in order to build my practice and stay current as a board certified sports clinical specialist.
- The Chronic Pain Conundrum: Bridging Neuroscience and Clinical Practice, Gainesville, FL, February 2015
 - Attended in order to build my practice and stay current as a board certified sports clinical specialist.
- UF Health Running Medicine Conference, Gainesville, FL, February 2015

Christine S. Morgan, PT, DPT, SCS
Florida Southern College

- Attended in order to build my practice and stay current as a board certified sports clinical specialist.
- APTA Combined Sections Meeting, Indianapolis, IN, February 2015
 - Sessions attended included Motor Learning to Retrain Movement Patterns in Injured Runners; Gait Retraining for Injured Runners: In Search of the Ideal; I've Performed a Running Analysis. Now What?; Sports Section Platform Presentations IV; Section on Women's Health Research Platforms. *[Sessions attended are relevant building my clinical practice and staying current as a board certified sports clinical specialist].*
- Anatomical and Surgical Considerations of the Shoulder, Gainesville, FL, July 2014
 - Attended in order to build my practice and stay current as a board certified sports clinical specialist.
- Concussion: Latest Advances in Evaluation, Prognosis, and Management of Athletes Las Vegas, NV, February 2014
 - Attended in order to build my practice and stay current as a board certified sports clinical specialist.
- APTA Combined Sections Meeting, Las Vegas, NV, February 2014
 - Attended sessions related to running and treating the female athlete in order to build my practice and stay current as a board certified sports clinical specialist.
- Medical Errors, Gainesville, FL, September 2013
 - Attended in order to meet state of Florida physical therapy licensing requirements.
- Wellness Considerations in Rehabilitation Therapy, Gainesville, FL May 2013
 - Attended in order to build my practice and stay current as a board certified sports clinical specialist.
- APTA Combined Sections Meeting, San Diego, CA, January 2013
 - Attended sessions related to running and treating the female athlete in order to build my practice and stay current as a board certified sports clinical specialist.

Teaching Responsibilities in Past Schools:

- Invited Lectures
 - University of Florida, Department of Physical Therapy, Gainesville, FL
 - PHT 6770: Musculoskeletal Disorders I. "Ankle Surgeries and Post-operative Rehab". July 2017
 - University of Florida, College of Health and Human Performance, Gainesville, FL
 - APK 5127: Fitness Assessment in Exercise Science. "Flexibility and Balance Assessment and Treatment". November 2011
 - University of Florida, Department of Physical Therapy, Gainesville, FL
 - PHT 6770: Musculoskeletal Disorders I. "Return to Sport". July 2011
- Teaching Assistant
 - University of Florida, Department of Physical Therapy, Gainesville, FL
 - PHT 6770: Musculoskeletal Disorders I. May - July 2011
- Full time teacher, All Saints Academy Teacher, Winter Haven, FL
 - Courses taught included Algebra I (grades 7-9), Biology (grade 9), and AP Biology (grades 10-12). August 2006- May 2007

TEACHING RESPONSIBILITIES for Florida Southern College DPT Program:

Christine S. Morgan, PT, DPT, SCS
Florida Southern College

- Previously taught in the program:
 - Information Hour 1 (Fall 2019, 2020, 2021) (primary instructor)
 - Information Hour 2 (Spring 2020, 2021, 2022) (primary instructor)
 - DPT 7220 Musculoskeletal Physical Therapy I (Spring 2020) (assistant)
 - Information Hour 4 (Fall 2020, 2021) (primary instructor)
 - DPT 7120 Kinesiology/Biomechanics for Physical Therapy (Fall 2019, 2020) (assistant)
 - DPT 7360 Integrated Professional and Community Education III (Fall 2020) (assistant)
 - DPT 7560 Integrated Professional and Community Education V (Spring) (assistant)
 - Information Hour 5 (Spring 2021) (primary instructor)
 - Information Hour 3 (Summer 2021) (primary instructor)
 - DPT 7480 Physical Therapy Clinical Education Practicum I (Summer 2021, Spring 2022) (primary instructor)
 - DPT 7680 Physical Therapy Clinical Education Practicum II (Summer 2021, Spring 2022) (primary instructor)
 - DPT 7780 Physical Therapy Clinical Education Practicum III (Fall 2021, Summer 2022) (primary instructor)
 - DPT 7480 Physical Therapy Clinical Education Practicum I (Fall 2021) (assistant)
 - DPT 7790 Physical Therapy Seminar (Fall 2021) (assistant)
 - DPT 7380 Clinical Education Theory (Summer 2022) (primary instructor)
- Currently taught in the program:
 - DPT 7120 Kinesiology/Biomechanics for Physical Therapy (Fall 2022- present) (primary)
 - DPT 7130 Clinical Assessment I (Fall 2022) (assistant)
 - DPT 7210 Musculoskeletal Physical Therapy I (Spring 2023) (primary)
 - DPT 7540 Advanced Clinical Problem Solving Across the Lifespan (Fall 2020, Spring 2022, 2023) (primary instructor)
